

Blueprint Tutors – Terms of Service

These Terms of Service ("**Terms**") constitute a legally binding agreement between **Nevin Ahluwalia**, trading as **Blueprint Tutors** ("**Blueprint Tutors**", "**we**", "**us**", or "**our**"), and the person or entity accessing or using our website located at <https://www.blueprinttutors.com> (the "**Site**") and any related services or digital content we provide (collectively, the "**Services**").

By purchasing, registering for, accessing, or using the Services, **you** acknowledge that you have read, understood, and agree to be bound by these Terms and our Privacy Policy. If you do not agree, you must not use the Services.

1. Definitions

"Content" means the AI-generated mathematics questions, explanations, downloadable files, web pages, and any other materials supplied by Blueprint Tutors.

"Digital Product" means any one-time purchase or subscription granting access to Content.

"Order" means a request by you to purchase a Digital Product via the Site.

"TMUA" refers to the Test of Mathematics for University Admission administered by Cambridge Assessment Admissions Testing. We are **not** affiliated with, endorsed by, or acting on behalf of that organisation.

2. Eligibility

You must be at least **16 years old** (or the age of digital consent in your jurisdiction, whichever is higher) to place an Order. By purchasing, you warrant that you meet this requirement and that any information you provide is accurate and complete.

3. Description of Services

Blueprint Tutors currently offers downloadable AI-generated practice questions and solutions tailored to the **Test of Mathematics for University Admission (TMUA)**. The TMUA is used by several UK universities – including but **not limited** to Cambridge, Imperial College London, LSE, UCL, Warwick and Durham – as part of their admissions process.

Independence & No-Affiliation – Blueprint Tutors is an **independent** provider of revision resources. We are **not affiliated, associated, authorised, endorsed by, or in any way officially connected with any university, school, examination board, UAT-UK, Pearson**

VUE, or any admissions testing service. References to specific exams or institutions are purely for descriptive and comparative purposes.

Possible Future Expansion – Our catalogue may in future include resources for **other admissions tests or subjects (mathematics or otherwise)**. Unless we publish updated Terms, this agreement applies equally to any additional materials.

Download-Only Delivery – At present we do **not operate a user account or gated portal**. After payment is confirmed you will receive a secure link (or email attachment) to download the Digital Product. You are responsible for storing a backup of the file; you may request **one** complimentary replacement link within 30 days of purchase; thereafter any re-issue is at our discretion and may incur a small administrative fee.

4. Ordering & Payment

Ordering & Payment

Ordering & Payment

4.1 Pricing – The price for the Digital Product is **£99 (GBP)** unless otherwise stated at checkout. Prices include VAT where applicable.

4.2 Payment Processing – Payments are collected through third-party payment processors. You agree to comply with their terms. We do not store full payment card details.

4.3 Formation of Contract – Your Order is an offer to buy. We accept when we send an email confirming your access, at which point a contract between you and Blueprint Tutors is formed.

5. License & Permitted Use

5.1 Upon full payment, we grant you a **non-exclusive, non-transferable, revocable licence** to access and use the Digital Product for **your own personal study only**.

5.2 Prohibited Uses – You must not:

- Share, sublicense, resell, publish, or distribute the Content in any form.
- Remove copyright notices or attempt to reverse-engineer any part of the Services.
- Use the Content to facilitate academic dishonesty or violate any examination rules.

6. Intellectual Property

All intellectual property rights in the Site and Content (including all derivative works) belong to Blueprint Tutors or its licensors. Except for the limited licence in Clause 5, no intellectual property rights are transferred to you.

7. Refunds & Cancellation

7.1 **Digital Content** – Because the Digital Product is a downloadable digital good delivered immediately after purchase, **you waive the 14-day cancellation right** provided by the Consumer Contracts Regulations 2013 once download or streaming begins.

7.2 Refunds are therefore **not** available except where required by law or where Content is defective under the Consumer Rights Act 2015.

8. Disclaimers

8.1 The Content is **AI-generated** and may contain errors, omissions, or inaccuracies. It is provided **“as is”** for informational purposes only.

8.2 **Educational Purposes Only** – The Content is intended as a supplementary study aid. It does **not** constitute professional, academic, careers, legal, or financial advice, and should not be relied upon as such.

8.3 Blueprint Tutors makes **no guarantee** that use of the Services will improve your TMUA score, secure university admission, or achieve any particular outcome.

8.4 To the fullest extent permitted by law, all warranties, express or implied, are excluded.

9. Limitation of Liability

9.1 **Nothing** in these Terms limits liability for death or personal injury caused by negligence, fraud, or any liability that cannot legally be limited.

9.2 Subject to 9.1, Blueprint Tutors shall **not** be liable for: (a) loss of profits, sales, business, or revenue; (b) loss of anticipated savings; (c) loss of goodwill; (d) indirect or consequential loss; or (e) errors in the Content.

9.3 Our **total aggregate liability** arising out of or in connection with the Services shall be limited to the greater of **£99** or the total amount you paid in the 12 months preceding the claim.

10. Indemnity

You agree to indemnify and hold harmless Blueprint Tutors from any claims, damages, or expenses arising out of your breach of these Terms or misuse of the Services.

11. Modifications

We may update these Terms or the Services at any time to reflect changes in law, best practice, or our business model (e.g., moving to a subscription). Where changes materially affect your rights, we will give at least **14 days’ notice** by email or via the Site. Continued use constitutes acceptance.

12. Termination

We may suspend or terminate your access without notice if you materially breach these Terms. Clauses that by their nature should survive termination (e.g., intellectual property, limitations of liability) shall continue in force.

13. Governing Law & Jurisdiction

These Terms and any dispute or claim (including non-contractual disputes) are governed by the laws of **England and Wales**. The courts of England and Wales shall have exclusive jurisdiction, except that consumers resident elsewhere in the UK or EEA may also bring proceedings in their home courts.

14. Complaints & Alternative Dispute Resolution

If you have a complaint, please contact us first so we can try to resolve it. If we cannot resolve a dispute informally, you may use the Online Dispute Resolution (ODR) platform at <https://ec.europa.eu/consumers/odr>.

15. Miscellaneous

15.1 Entire Agreement – These Terms constitute the entire agreement between you and us concerning the Services.

15.2 Severability – If any provision is determined invalid, the remaining provisions will remain in effect.

15.3 Assignment – You may not assign your rights under these Terms without our prior written consent.

15.4 Force Majeure – We are not liable for delays or failures caused by events beyond our reasonable control.

16. Contact

Questions about these Terms should be sent to **blueprinttutors0@gmail.com**.
